

# 2018 KID KWILT CHALLENGE RULES

Thank you for taking part in the  
2018 Kid Kwilt Challenge.

'Rules' are simple & few:

1. Purchase your half yard of challenge fabric at a guild meeting: \$3 per packet.  
Our Challenge fabric sponsor this year is **Minding My P's and Q's**.
2. Use a *recognizable piece of the challenge fabric on the front*  
of a Kid Kwilt donation. Sizes are approximate; quilts can be square or rectangular.

Minimum Size: Crib Quilt - approx. 36" X 44" **or** 40" square

Maximum Size: Lap Quilt - approx. 55" X 65"

3. Quilts can be pieced, appliquéd, tied, hand or machine quilted, or any combination.  
These quilts get lots of loving wear and handling from little hands.  
Please, no buttons, loose ribbons, zippers, paint, glue, glitter, embellishments, etc.
4. Turn in at any guild meeting, but no later than **November 13, 2018** to be eligible for prizes.

Quilts will be judged by both children, as well as experienced quilters, with prizes awarded in several categories. Guild members will also get to view all Challenge quilts and vote for their favorites at the guild holiday potluck and Kid Kwilt display at the **December 18<sup>th</sup>** meeting. Whether you win a gift certificate prize or not from the judging, everyone who submits a Kid Kwilt Challenge quilt gets their name entered into a random drawing for a sewing machine generously donated by the **Denton Sewing Center**. What could be better than a \$3 chance at a new sewing machine?!
